

AGENDA

Granite State Clean Cities Coalition Stakeholder meeting

Friday, May 9, 2008
8:30 am to 12:00 pm

UNH MUB - Room 330

Many thanks to Dirk Timmons and University Transportation Services for covering the cost of beverages/snacks for the meeting!
Many thanks to Steve Pesci, UNH Campus Planning for all his help in organizing the meeting space and parking arrangements!

Agenda

8:30 - 9:00 - sign-in and network time.

9:00 - Meeting begins

- A. Introductions
- B. The ZincFlow electro-chemical Advanced Energy Storage System
Doug Alderton, Premium Power Corporation
- C. Legislative Update - an update on the bills being heard by this session that are designed to strengthen the biodiesel market in the state

BREAK

- D. Update on UNH activities including their CNG buses and their use of biodiesel in all diesel equipment.
- E. Roundtable discussion - we look forward to hearing about your latest updates on GSCCC related projects.
- F. For all who can stay there will be a tour of the UNH campus ending at the Rail Station project! We plan to wrap shortly after noon.
